

Platinum Driver Experience

~ an unforgettable experience ~

Imagine standing on the footplate of a classic steam locomotive in front of the gauges and valves and feeling the heat radiating from the firebox. Or perhaps you would like the sound of a mighty diesel engine powering through the countryside under your control.

Well this dream can now come true.

The day's experience includes:

- Safety briefing and driver instruction.
- Optional second guest driver.
- Driving the locomotive "light engine" to Mornington & return.
- Assembling carriages (shunting) to build a train.
- Lunch is provided.
- Driving train to and from Mornington with family and friends travelling in the carriages.
- Running the locomotive around the train in preparation for the return to Moorooduc.
- A one year individual membership to the Mornington Railway.
- Presentation of Certificate of Achievement to guest driver/s.
